Purdue University, School of Science, Indianapolis
Aug 2023-May 2027
Bachelors of Science in Computer Science and Minor in AI

I am a motivated freshman who has a passion for technology. As a dedicated life-long learner, I look to join a hard-working and diverse team where I can master new frameworks, learn from senior engineers, and thrive as an entry-level software engineer.

Skills

- Python, Java
- Shopify
- Team player with the ability to work collaboratively
- Attention to detail and ability to follow instructions
- Microsoft Office (Includes PowerPoint, Word, and Excel)
